Delano, Wilhelmina Pavin?

[Mrs. Mortimer Delano]

1921

January 2, 1921.

Mr. Archer Huntington.

Dear Mr. Huntington.

I have a medal I am anxious to dispose of and Col. Warren of the Irving Truck Company told me that you were the one most likely to be interested in it or could advise me as to how to dispose of it.

It is the bronze Congressional medal in commemoration

of the one hundredth
anniversary of American
Independence issued
in 1876 - My father in
law the late Thomas
E Dillon got it at
the time it was issued.
If You could advise
me as to its disposal

I should be my regards
to Jon -

Yours sincerely
Nicholas Paine Devereux

Dear Madam:

Your note of January 2nd has been referred to me by Mr. Archer M. Huntington.

The medal of which you write is not uncommon - the silver specimens are worth about Three Dollars, those in bronze are worth not more than One Dollar. The Elder Coin & Curio Company, 21 West 35th Street, New York, would perhaps be as good a place as any other at which to dispose of it.

Very respectfully yours,

Secretary
